

Guest Policy (Revised 04/21)

Each member may purchase in-town guest cards when the pool opens for the season. Each Guest card may be purchased at a cost of \$35 for 10 punches and \$20 for 5 punches with a maximum of 25 punches for the season and may be purchased at any time during the pool season. **Your card will be punched each time you bring a guest. Each punch constitutes one guest per family member.**

Members who invite guests must be present at the time of the guest's arrival and be present for the entire duration of the guest's stay. A member 16 or older must sign the guest in. If the guest is under the age of 13, a member 13 or older must be present with the guest. If you wish to bring more than one guest per family member it will be considered a party and you must contact the Pool Manager or a life guard to schedule the party.

Maximum number of guests allowed is three guests or one per family member, whichever is greater, per visit. (Example – Member and daughter bring three guests, this is allowed). However, children of the family member are limited to one guest per member (Child cannot bring three guests). Although out of town guests do not use your punches on your guest pass, the same rules apply for the maximum number of guests.

If you have any questions please contact the pool manager (336) 764-8613

No in-town guests will be permitted from May 22 through June 6. This will allow the pool manager and lifeguards to become familiar with who is in the membership before they are expected to manage guest admittances.

OUT-OF-TOWN guests are allowed any day of the week with no charge with the exception of Memorial Day Monday. See the baby-sitter rules regarding Grandparents and Senior Citizen Guardian.

The following zip codes are considered **in town**.
